PROFICIENCIES

TECHNICAL

Sketching & Rendering
Physical Prototyping
Rapid Prototyping
Ethnographic Research
Electronics Prototyping

DIGITAL

Adobe Photoshop
Adobe Illustrator
Adobe InDesign
Solidworks
Maxwell Render
Java / Processing / Arduino
HTML / CSS

EDUCATION

2005-2009 / PITTSBURGH, PA

Carnegie Mellon University

BFA in Industrial Design
Coursework in product design and experimental interaction
GPA 3.9/4.0 Deans List 8/8 semesters

EXPERIENCE

SUMMER 2008 / PALO ALTO, CA

IDEO: Product Design Intern

Developed concepts for new form languages and richer ways of interacting with computers. Collaborated on ethnographic research, synthesizing design research, business development and medical instruction design.

SUMMER 2007 / PITTSBURGH, PA

Bright Innovation: Design Intern

Assembled a materials library by collecting and ordering samples and designing a system for organizing them. Contributed to client projects through presentations and drawings.

FALL 2006 / CARNEGIE MELLON, PA

Design Drawing: Teaching Assistant

Instructed first-year design students in mastering perspective, composition and communicative drawing. Organized extracurricular critiques and drawing activities.

FALL 2006-CURRENT / CARNEGIE MELLON, PA

Reese Digital Lab: Computer Consultant

Responsible for monitoring, troubleshooting and spooling color prints in the Reese design computer cluster.

SUMMER 2006 / ROCKY HILL, CT

Henkel-Loctite Product Development: Laboratory Intern

Worked in the chemical R&D lab developing cyanoacrylates. Responsible for creating formulations and testing their performance.

SUMMER 2005 / NORWALK, CT

Tanaka Kapec Design Group: Design Intern

Assisted in the development of consumer and medical products through sketches, foam models and digital prototypes.

HONORS

2009 / NEW YORK, NY

I.D. Magazine Design Distinction

Awarded for In-Formed in the Student category.

2009 / CARNEGIE MELLON

IDSA Student Merit Award

Selected to represent Carnegie Mellon at the IDSA Mideast Chapter District Conference.

SPRING 2009 / CARNEGIE MELLON

SURG Grant

Received funding with a peer for Tails, a project to craft toy animals that stimulate global cultural awareness in children.

2007 / CARNEGIE MELLON

Design Citizen Award

For positive contributions to the school community.

2006 / CARNEGIE MELLON

School of Design Merit Award

Awarded by faculty for exceptional work.

ACTIVITIES

IDSA Student Officer
Design Head Search Committee
Solar Decathlon Team Member
WWOOF Organic Farmer
